

MEMBER VALUED PARTNER REFERRAL

FMCA DIESEL RV Club, 3590 Round Bottom Road, Cincinnati, OH 45244-3026

With approximately 1,500 members and an additional 2,300 participants of its technical discussion forum, the Diesel RV Club serves motorhome/coach owners with an interest in diesel engines, how to maintain them, how to get maximum performance, and how to keep repair costs to a minimum. Diesel RV Club is one of FMCA's largest chapters.

Diesel RV Club has launched its Valued Partnership Program and encourages members to invite their motorhome dealers and service centers participate in this program. Why? Because it will bring additional business to them as well as provide a benefit to our members. Coach owners today are searching for reputable and reliable service providers to maintain and recondition their motorhomes and for opportunities to enrich their RV lifestyle. We hope you will be among the businesses we recommend and our members prefer.

What is asked of a Diesel RV Club Partner? Simply offer a 10% discount on parts and/or labor to Diesel RV Club Members in good standing. To receive the discount on parts and/or services, members must present a valid Diesel RV Club membership card at the time of service. Your business will be listed as a Partner in our newsletter and on our website. There is no charge to participate in this FREE program and your business will be featured among the partners offering discounts to our members with your description and contact information available for viewers seeking your services

Partnership Program Options: The following options are available at preferred rates to tailor the Partnership program to reach maximum benefits for the Valued Partner:

- Display advertising - Full color ads in our Quarterly eNewsletter
- Classified advertising. Black/white text up to 200 characters per issue
- Website ad listings:
 - Members and participants will be able to access your website by click on links in your ad on our website (www.DieselRVClub.org).
 - Forum Commercial Vendor list - Optionally, for those vendors who actively participate in technical discussions on our discussion forum a link may also be available in the Commercial Vendor section of the forum (<http://forum.DieselRVClub.org>).

Please let us know who to contact at your dealer or service center by inserting their name and contact information below. Optionally, all of the Valued Partner materials are available on our website where you can download the Valued Partner Agreement form and current valued partner list so you can present and close the deal yourself. As a customer, you are in a great position to perform this service on behalf of Club members in your area.
