NEW FMCA CHAPTER – FRIENDS OF ANGEL BUS

By George Myers, Friends of Angel Bus, President

Past Angel Bus and Angel Flight volunteers will tell you that there is no reward in life that can compare with the satisfaction they received from helping someone who was so truly in need. The facilities that we take for granted in our coaches can make it possible to comfortably move someone with physical limitations that would make travel by any other mode a nightmare. This is the premise behind the new FMCA Chapter, Friends of Angel Bus, that is seeking drivers (Angels) to support Angel Bus . . .

Membership Feedback

I got my CAT RV Club dues reminder [probably many of you also] yesterday. Just wanted to thank the CAT RV Club for allowing the annual membership to be paid on the website [\[www.catrvclub.org\]](http://www.catrvclub.org) by Paypal with no fees - \$15 bucks - and no forms to print out, envelope to address, and no stamp required - input

everything on-line and it's done in a few keystrokes. My guess is that it also helps the club's administrative burden also. Try it, you will like it!

Tom and Sally Bernardi

Tried it. Liked it.

Tim Gerrity

I'll second that compliment, and add my admiration of our club's electronic newsletter. The integration of our personal information (e.g. name, address, membership expiration date) into the body of the newsletter is a neat trick, and the graphics are superb. Our web site and the newsletter are among the best I have seen for any club. Thanks to all the volunteers, including Lee Zaborowski, Ken Carpenter and Rudy Morris!
